ABOUT THE TRIBUTE DINNER

AABLI's annual fundraising event, The Tribute Dinner, helps support AABLI's efforts to develop a pipeline of African American leaders for service on governing boards.

Tribute Dinner honorees exhibit qualities aligned with AABLI's efforts to advance systemic equity and foster an inclusive society by developing leaders who earnestly advocate for equitable power and resources, and whose aim is to create pathways out of poverty for communities in California and elsewhere in the U.S.

Each honoree is an inspiring leader whose work reflects AABLI's vision. Through financial support, meaningful advocacy and community investments, each has demonstrated a deep commitment to philanthropy and community involvement.
